EC water project brings joy

GOVERNMENT IS set to spend R1.5 billion to bring water to the people of the Eastern Cape with six different projects worth millions.

resident Jacob Zuma launched the R345 million Ncorha Bulk Water Project in the Chris Hani District Municipality's Bhanti village recently.

The President said the Ncorha project alone would immediately benefit 29 villages in the district

resident Jacob Zuma municipality by bringing them tap launched the R345 mil- water for the first time.

To date R229 million has been spent on the project, said the President.

The Ncorha project draws raw water supply from the Ncorha and Lubisi dams, then it is purified at two water treatment works near the respective dams. The total estimated completion cost of the whole project is R345 million, said President Zuma.

"As government continues to invest in major infrastructure developments in the Chris Hani
